Call for Papers

Masaryk University Language Centre is a dynamic organization of many educational, project and research interests. Since we share similar interests and face similar problems with other language centres, departments, institutions, faculties and schools across Europe and worldwide, we invite higher education teachers, lecturers, researchers and managers to present, share and discuss their ideas in a creative atmosphere of our international conference.

Language Centres in Higher Education: Sharing Innovations, Research, Methodology and Best Practices

January 15-17, 2015 in Brno, Czech Republic

SUBMISSIONS will be invited for:
- Oral presentation (30 min., i.e. 20 min. presentation + 10 min. discussion)
- Workshop (45 min. or 60 min.)
- Poster presentation

SECTIONS:
The Conference will welcome submissions addressing general themes of Innovation, Research, Methodology and Best Practices that can be approached through the following sub-themes:

1. Innovation
   Reflecting upon innovating and transforming traditional course frameworks, teaching methods and assessment policies.

2. Research
   Considering contributions dealing with recent research on concepts of LAP/LSP and transferring and implementing research results into practice.

3. Methodology
   Presenting current approaches, issues and transformations in methods of teaching and/or learning LAP/LSP.

4. Best practices
   For a detailed description of the sections see http://conference.cjv.muni.cz/sections.
**LANGUAGE:**
The official language of the conference is English. Submissions can also be presented in Czech, Slovak, German, French, Russian or Spanish.
